

## Curriculum Vitae for XMUM Official Website

	Name	<b>Wang, Peiming</b>
	Current Position	Professor cum MBA Director
	Administrative Position (if applicable)	Nil
	Room No.	A2#436
	Programme	School of Economics and Management and MBA centre
	Telephone	Nil
	Email	Peiming.wang@xmu.edu.my

### BIOGRAPHY

Professor Wang Peiming, serving as the Director of the MBA Centre and a Professor of Finance at Xiamen University Malaysia (XMUM), brings a wealth of experience and leadership in shaping educational programs. His academic journey is distinguished by a PhD earned from the esteemed Sauder School of Business at the University of British Columbia, Canada. Prior to joining XMUM, Professor Wang refined his expertise at the renowned Nanyang Business School of Nanyang Technological University, Singapore, and the Business School of Auckland University of Technology, New Zealand, each for over a decade.

With his extensive experience and leadership in teaching and managing a spectrum of degree and non-degree programs, including EMBA, MBA, and executive training, Professor Wang serves as an exemplary figure in academia, guiding and inspiring both students and colleagues alike.

### RESEARCH INTERESTS

Applied Econometrics, Monetary Policy, Empirical Asset Pricing, Financial Risk Management

### EDUCATIONAL BACKGROUND

- PhD (Business Administration and Management Science), Sauder School of Business, University of British Columbia, Canada (1994)

### WORKING EXPERIENCE

- Associate Professor, Nanyang Business School, Nanyang Technological University, Singapore (1994 to 2007).
- Associate Professor, Business School, Auckland University of Technology, New Zealand (2007 to 2023).

### RESEARCH EXPERIENCE / GRANTS

Prof Wang's research currently focuses on the analysis of the impact of monetary policy uncertainty, particularly the spill-over effect of US monetary policy uncertainty. Prof Wang has many years' experience of research supervision for various programs including PhD, MBus, MBA and EMBA. Prof Wang has published in many leading journals, including the

Journal of Business and Economic Statistics, Journal of Empirical Finance, Macroeconomic Dynamics, International Review of Economics and Finance, Applied Economics, Economics Letters, Biometrics and Statistica Sinica.
