CONVOCATION

MESSAGES

A Message from the

President

Xiamen University

Dear Graduates of the Class of 2026,

Congratulations on completing your studies and setting sail on a new chapter in life! You are the first graduating cohort whose journey I have had the privilege of witnessing as President of Xiamen University, and this year also marks the tenth anniversary of XMUM.

Over the years, you have risen to challenges and brought honor to our university as our first doctoral graduates, accomplished researchers, competition winners, and future leaders. XMUM has grown alongside you and is now home to more than 10,000 students from over 50 countries and regions.

As you begin your journey, I would like to share four reflections:

1. **Make lifelong learning your compass.** In an age of rapid technological change, keep curious, think critically, and embrace AI as a tool for learning, creativity, and growth.
2. **Embrace multicultural immersion.** Cross this bridge, and become a bridge yourself. Be ambassadors of cross-cultural exchange, and foster appreciation among cultures for a harmonious world.
3. **Take shared challenges as your test.** Use your professional knowledge and global perspective to help solve climate change, public health, and other common challenges.
4. **Build your character on the Tan Kah Kee spirit.** Carry forward his integrity, perseverance, and selfless dedication. Be loving to your parents, true to your friends, and dedicated to your work.

No matter how high you soar or how far you go, XMUM will always be your spiritual home and safe harbor. We will always look forward to hearing your good news and celebrating every success.

I wish you a bright and boundless future, a journey filled with joy and accomplishment!

PROFESSOR DR. HU WENPING
President of Xiamen University
Academician of the Chinese Academy of Sciences

A Message from the

President

Xiamen University Malaysia

My heartfelt congratulations to the graduating class of 2026!

Through hard work, dedication, and perseverance, you have successfully completed your programmes of study. As you embark on the next chapter of your lives, take pride in all that you have achieved and draw confidence from the knowledge, skills, and perspectives you have gained at Xiamen University Malaysia.

This year marks a significant milestone for Xiamen University Malaysia as we celebrate our tenth anniversary. Since welcoming our first batch of students in 2016, we have nurtured many outstanding graduates who are now making meaningful contributions in Malaysia, China, and around the world. As we enter our second decade, we are proud to welcome you into our growing global alumni community, where you will remain part of the story we continue to write together.

Dear graduands, you are graduating at a time when almost every aspect of our lives is being transformed by rapid advances in Artificial Intelligence. In such a world, simply knowing more is no longer enough. I encourage you to exercise good judgement, to remain curious beyond the boundaries of your own discipline, to use technology not merely to consume but to create, and never to lose sight of what is meaningful. Take with you not only the knowledge and skills you have acquired here, but also curiosity, integrity, empathy, courage, and a sense of purpose.

Go forth with courage and confidence. May you use the opportunities before you wisely, meet challenges with resilience, and help shape a better future for all.

PROFESSOR DR. WANG RUIFANG
President
Xiamen University Malaysia

A Message from the

Guest of Honour

Ambassador of China to Malaysia

The Class of 2026,

Congratulations on successfully completing your academic journeys and embarking on exciting new chapters in life. Graduating on the momentous 10th anniversary of Xiamen University Malaysia, you stand not only as proud witnesses to XMUM's remarkable progress, but also fortunate beneficiaries of the flourishing educational exchanges between China and Malaysia.

As a flagship project for China-Malaysia educational cooperation, Xiamen University Malaysia fully embodies Xiamen University's motto "Pursue Excellence, Strive for Perfection", and carries forward Mr. Tan Kah Kee's enduring spirit—a profound devotion to education and a grand global vision. The building of a high-level strategic China-Malaysia community with a shared future is gathering momentum, our bilateral relations have entered a new "Golden Era" for the next 50 years. This flourishing cooperation across economic, trade, and cultural frontiers has unlocked a world of opportunities for the younger generation of both countries. Graduation is never the conclusion of your learning, but a fresh launchpad into a vast and wider world.

May you embrace integrity and duty, remain steadfast in kindness, respect civilisational diversity, and hold true to your vision amid a shifting world. May you champion lifelong learning, constantly sharpen your expertise, translate insights into solutions, and achieve self-fulfillment through solid dedication. May you cultivate empathy, stand as vital bonds connecting different civilisations, seek common ground while shelving differences, and invest your youth by aligning your personal aspirations with societal and regional advancement.

Mountains and oceans may set physical boundaries, but the hearts of the youth know no limits. May you soar on the wings of the wind, break through all barriers, and shine brilliantly on your chosen paths.

H.E. OUYANG YUJING
Ambassador Extraordinary and Plenipotentiary of the People's Republic of China to Malaysia

ABOUT THE UNIVERSITY

Xiamen University (XMU) at a Glance

Xiamen University (XMU), established in 1921 by the renowned patriotic overseas Chinese leader Mr. Tan Kah Kee, is the first university founded by an overseas Chinese in the history of modern Chinese education.

XMU is recognised as one of China's leading universities and has been included in the national 211 Project, 985 Project, and Double First-Class Initiative – major government programmes aimed at elevating selected universities to world-class status.

The university comprises four campuses: Siming Campus, Zhangzhou Campus, Xiang'an Campus, and the Malaysia Campus. It is structured into six academic divisions, including 36 schools and colleges and 18 research institutes. This comprehensive academic structure covers 12 disciplines, including philosophy, economics, law, education, literature, history, science, engineering, medicine, management, arts, and interdisciplinary studies. Furthermore, XMU maintains 36 postdoctoral research stations to support advanced research initiatives.

The university employs nearly 3,000 full-time faculty, with professors and associate professors accounting for 73 per cent of the academic staff. It is home to 14 academicians of the Chinese Academy of Sciences and the Chinese Academy of Engineering, along with three academicians of the Chinese Academy of Sciences for Developing Countries.

Since its founding, XMU has educated more than 500,000 talented individuals. Currently, the University has over 48,000 enrolled students, including more than 21,700 undergraduates, 20,000 master's students, and 6,800 doctoral students. The University has received one First Prize and 12 Second Prizes in the 2022 National Teaching Achievement Awards for Higher Education. It also has 64 National First-Class Undergraduate Programme Development Sites and 101 National First-Class Undergraduate Courses.

XMU currently has more than 300 research institutions, including six National Key Laboratories and various national and provincial research platforms. The international mega-science programme “Ocean Negative Emissions”, initiated and led by XMU, has been included in the United Nations Decade of Ocean Science for Sustainable Development Action Plan.

XMU has signed inter-institutional cooperation agreements with 283 universities worldwide and has established substantive partnerships with 55 prestigious international institutions. It initiated and leads the university consortium of the “21st Century Maritime Silk Road” and has established the China–Malaysia International Institute for Advanced Studies (CMIIAS). Globally, XMU has established 14 Confucius Institutes and one Chinese Language and Culture Research Centre across 12 countries on five continents, overseeing a total of 34 Confucius Classrooms.

Established in 2013, Xiamen University Malaysia Campus is the first and currently only overseas campus established by a Chinese Double First-Class university with an independent campus and multi-disciplinary, multi-level academic offerings. It currently offers 25 undergraduate programmes, 15 master's programmes, and eight doctoral programmes. Five disciplines are ranked among the top 1% globally in ESI, while XMU's Nature Index ranking is No. 1 among universities in Malaysia. The campus has more than 10,000 students and 600 faculty and staff, with students from more than 50 countries and regions.

(The above data is as of December 31, 2025)

Facts of Xiamen University Malaysia (XMUM)

A Historic Reciprocation

Xiamen University (XMU) was founded by the Malayan Chinese Mr. Tan Kah Kee in 1921. 93 years later, XMU has reciprocated by setting up a campus in Malaysia, where Mr. Tan Kah Kee achieved great success in his career. This is a historic reciprocation."

The Spirit Lives on

XMU's founder Mr. Tan Kah Kee was considered a world-renowned educator who devoted all he had to the pursuits of education. XMU solemnly pledges to uphold Mr. Tan Kah Kee's spirit of selfless dedication to the noble causes of education in establishing Xiamen University Malaysia (XMUM). It will remain a not-for-profit institution; and not a sen will be repatriated to China. Instead any surplus funds will be channelled back into research and scholarships for students of XMUM.

Commitment to educational excellence

The establishment of XMUM sets new heights in the areas of cooperation and exchange in education between China and Malaysia. XMU is driven to build the campus into one of Malaysia's best, enriching Malaysia's tertiary education landscape to produce high-quality talents with international competitiveness.
